

## Azabu

### Occasional Tables

**Product by** Ligne Roset

AZABU is based around the creation of airy shapes in soldered metal wire. This collection, designed by Marie Christine Dorner, is a real 2-in-1: both an occasional table and storage thanks to its removable lid. With its pared-down lines and black lacquered wire structure in a satin finish, this item gives the impression of being light, yet elegant and modern.

**Designed by** Marie Christine Dorner
