

Bonnie

Sofa

Product by Ligne Roset

Bonnie is a reissue of a Pierre Paulin original from 1975 known as modèles 500 and 500/2. There are few, rare examples of this piece and Ligne Roset based the Bonnie on the original. From the outset, the Bonnie seating is striking in terms of its comfort, both visual and real, hugging the lines of the human body fiercely. The Bonnie seating is at once extremely comfortable and also clever, without being too clever.
