

Ennéa

Lazy Susan

Product by Ligne Roset

The Ennea dining table (Ennea stands for the Greek number 9) rests on a base composed of three identical 'rectangular' triangles made from solid wood. Three triangles, three sides: these nine segments form nine vectors, nine directions within the space which form an arrangement which is at once simple and sophisticated. The construction recalls the pyramidal structure of a crystal, both light and robust. Here, it is all about balance and tension, more than a static design. The assembly method is simple but gives an impression of sophistication. This table can accommodate 10 people.

Designed by Vincent Tordjman

Finishes:

Walnut top with Pierre Corsé available only in black-stained oak base; Arabescato stoneware top available in black-stained oak or natural base

Dimensions:

H 30 3/4" Ø 70 3/4"
