**Istrana**  
Console Table  
walnut top / satin black lacquered steel base

**Istrana**  
**Console Table**

**Product by** Ligne Roset

The Istrana console is named after a village near Treviso, Italy. The minimalist design is a model of elegance and simplicity meant to hold only that which is essential. The base is made up in satin black lacquered steel (with adjustable feet). Top is available in solid American walnut or Carrara marble with soap-style edges. A wall fixing bracket is supplied which is strongly recommended to be used to guarantee stability.
