

Juliette

Vanity

Product by Ligne Roset

A feminine furniture par excellence, the dressing table Juliette is particularly graceful. The vanity presents a large workspace. It is completed with a drawer and a second storage space closed by a lift-top. This lift-top conceals on its inner surface a large mirror visible in the open position. Opening by 2 folding stays. The piece is made of American walnut veneered MDF, which brings a touch both precious and warm. This dressing table can also be used as a small desk. Black lacquered steel base.
