Païpai

Sofa

Product by Ligne Roset

Païpai is a project which unfolded from a simple gesture: folding a piece of paper to create a closed shape. And thus, a visibly comfortable cocoon seat is born. The folds mark the foam, shaping its contours and giving emphasis to the armrests, thus creating the identity of the settee, which was named after the Pai-Pai fan which itself has a characteristic rounded shape. The Païpai collection was designed to offer the best possible seat comfort thanks to the height of the back and the judicious use of high-performance foams.
