Dining Chair

Product by Ligne Roset

Chair and bench in natural caning. Caning is a natural material, flexible and light, made from a liana palm tree from which rattan canes are made. With a tight spacing, the braids offer impressive resistance. Black stained ash base, satin finish, FR polyurethane foam seat (30 kg /m3 – 6.3 kPa), back in natural caning, seat upholstered in Alcantara Slate Black. Supplied with 4 fitted black pads (and 4 felt pads in a plastic bag).
