

## Vibration

### Rug

**Product by** Ligne Roset

The word 'motif' (motive) is from the same family as 'émotion' (emotion), 'motivation' (motivation) and even 'mot' (word). The motif of the Vibration rug becomes clear over time: the myste[1]rious dynamic of its shade ratios creates a dynamic visual impression. In the same way as movements through air, the colored resonances offer a feeling of energy, not unlike the diffusion of music within a space. Hand tufted rug in 80 % New Zealand wool / 20 % Indian wool.
